

India's biggest tax reform - GST is now a reality. Timely action and fulfilment of the various compliances under GST law is one of the most critical activity for businesses. A thorough knowledge of the several aspects of the procedural compliances under GST law is needed.

The incremental burden of compliance shall vary for different classes of businesses. On the whole, the sheer quantum of data to be uploaded and processed shall increase manifold. Proper investment in IT infrastructure and personnel training shall become the need of the hour.

Well here is an opportunity to invest your valuable time in attending this two day workshop conducted by Hiregange Academy in SSMRV Degree College and gain a better understanding of the nuances involved in the procedural aspects under GST.
