

Budget 2017 Analysis

All eyes on Union Budget 2017-18, expectations are high after demonetization. It continues to aim and achieve decline in inflation, growth in industrial & agricultural sector.

2017-18 may witness establishment of sturdier bridges between the determinants of micro economic and macro economic growth, the benefits of which would be relished by every section of society, irrespective of its size or nature.

To understand the changes in Direct and Indirect Taxes and its implications Hiregange Academy is organizing seminar on *Budget Analysis 2017* to guide Manufacturer Traders, Service Providers, Exporters, Importers, Professionals and Entrepreneurs, Students and GST updates.

The Seminar will be address by "Eminent Speakers".
