Empowering Knowledge & Employability

Model Law on GST - Impact on Industry & Transitional Issues

Era in the GST will have a single taxation system and take away a number of Central and State taxes.

There would be paradigm change in the business models for all trade and business.

The draft model GST law released after deliberation by state finance ministers on 14th June, 2016 guides in drafting the GST Act for each state. Hence it is very important to understand the nuances involved in the same.

This understanding is important as it would lead to the successful implementation of the GST law, which would free India from the shackles of archaic indirect tax laws and usher in a new era of growth and prosperity.

As the saying goes, "Understanding is much deeper than knowledge!!".. Well here in an opportunity to gain a better understanding on the nuances of the Model GST law.

The workshop would be of special interest to –

- CFOs, CEOs ,Industry personnel's.
- Professionals and Tax practitioners
- Students of CA firms
