Theme of the workshop

To err is human..! One evolves and is said to be experienced only when one commits mistakes and learns from it. Albert Einstein once said – A person who never made a mistake never tried anything new..! But if such mistakes are substantial in nature they invite unnecessary litigation. One such error-prone area in IDT is ‘filing of Returns.’.

Hence Hiregange Academy is up with yet another essential one day workshop which aims to enhance the tax compliance, reduce errors in filing of returns and thereby simplify the process of filing returns .

Simplicity is the key to brilliance..! Only way to commit less mistakes is making the process simpler. So come, lets learn simpler, error free ways of filing the returns..!

The seminar would be of special interest to:

- ✓ Managers & Senior Managers - Accounts, Senior Accountants & Accountants
- ✓ Professionals - CA's, CA Students, CMA's, CS's and Tax Practitioners
