

## GST Awareness & Transitional Issues

The introduction of Goods and Services Tax (GST) would be a very significant step in the field of indirect tax reforms in India. The draft model GST law released after deliberation by state finance ministers on 14th June, 2016 guides in drafting the GST Act for each state. Hence it is very important to understand the nuances involved in the same.

This awareness is important as it is just a matter of time before the Goods and Services Tax (GST) bill is passed by both the houses of the Parliament. Business continuity by successful implementation of GST would depend on the adaptability of the work force to GST and to overcome 100's of anomalies in the Draft Model Law.

As the saying goes, "Knowledge is power".. GST is the need of the hour!! Well here in an opportunity to gain a better understanding on the nuances of the Model GST law.
