About the workshop

One of the biggest taxation reforms in India -- the Goods and Service Tax (GST) -- is all set to integrate State economies and boost overall growth.

GST will create a single, unified Indian market to make the economy stronger.

The implementation of GST will lead to the abolition of other taxes such as octroi, Central Sales Tax, State-level sales tax, entry tax, stamp duty, telecom licence fees, turnover tax, tax on consumption or sale of electricity, taxes on transportation of goods and services, etc., thus avoiding multiple layers of taxation that currently exist in India.

If you are wondering, how to go about understanding this new law..... then come along and attend the workshop conducted by Hiregange Academy in association with SSMRV College on 3rd January, 2015 from 10.00 A.M. to 6.00 P.M.

As the saying goes , "Change is inevitable... Progress is Optional"

Well, here is an opportunity to get ready to accept the 'Change' so that we can make the right 'Progress.'

So let's learn the present concepts / future possibilities and get GST-savvy..!
